

MISSION OF GOD MINISTRIES

January 7, 2015

Dear John & Suzanne,

God has blessed my life in so many ways. I am continually amazed at His goodness. Please take a moment to read my letter and then rejoice with me. God has opened a door for me to go on a missions trip to the Dominican Republic with Mission of God Ministries. Our trip dates are April 10—17, 2015.

We will be staying at CIMA del Rey a multi-purpose facility that is used by the Assemblies of God for camps and a retreat center. This property is used to minister to children of the Dominican. We will be ministering to the children at multiple ministry sites which may include going to a village or on site at CIMA, school assemblies in various schools in the area and sidewalk Sunday school—street ministry to children. We may also have some time to help with a light construction project or two. It will be incredible for me to go in this journey.

I am asking God to do a mighty work through me, but I must start by enlisting a team of people who will pray for me and invest in my mission trip. I am required to raise all of my own financial support. I have to raise about \$1,900 for my mission trip. I would count it a great honor if you would prayerfully consider investing in my mission trip. Anything you give will be a huge blessing.

For tax purposes checks can be written out to Mission of God Ministries and please put my name on the memo line. Please mail any checks to Mission of God Ministries at PO Box 7934 Macon, GA 31209.

Please keep me in your prayers as I plan for this mission trip to Santo Domingo, Dominican Republic..

Excited about the Journey,

(your name)
